Revenue Management, Inc.

OB-GYN Procedures

Are you struggling with the coding of outpatient obstetrics and gynecology (OB-GYN) procedures? Do you have trouble distinguishing between missed and spontaneous abortion? Do you toil with diagnosis coding for “abortions” that result in live fetuses? Are you confused about coding rules when multiple OB-GYN procedures are performed in the same operative session?

Join **The Coding Group’s** live audio conference/webinar on Tuesday, June 17, from 10:00 a.m. to 11:00 a.m. Pacific to get the answers to these and many other OB-GYN coding mysteries.

This training session will provide attendees with a clear understanding of the following:

- ✓ Female reproductive anatomy and physiology
- ✓ Pregnancy and gestation physiology
- ✓ ICD-9-CM diagnosis coding guidelines for OB-GYN
- ✓ OB-GYN procedures common in the outpatient setting
- ✓ Coding guidelines for abortion and live birth according to gestational age
- ✓ Potential billing and compliance issues associated with OB-GYN procedures

Who should attend?

- ✓ Outpatient coders
- ✓ Coding auditors
- ✓ Coding managers
- ✓ Coding compliance officers
- ✓ Reimbursement analysts

Level: Beginner

Meet our esteemed speaker!

Linda Schwab, RHIT

Linda is the Manager of Coding Operations with The Coding Group, a division of Integrated Revenue Management, Inc. She has over 25 years of experience in the HIM and coding fields. Her past positions include assistant director of HIM, inpatient and outpatient hospital coding manager, HIM coordinator for the Colorado Health & Hospital Association, DRG and facility coding auditor, educator, and inpatient/outpatient coder. She has given presentations and written articles on coding-related topics such as RAC Audits, MS-DRGs, ICD-10, and Home Coding.
